CROCHET HOOKS

As well as coming in a variety of different sizes, crochet hooks come in a range of styles, too. With a bit of practice, you'll find the one that suits you

Different crochet hooks are designed with various factors in mind, from the type of project you will be working on to the level of grip and comfort required. Most importantly, crochet hooks come in different sizes, and the size of hook you use – while most of the time being determined by the weight of the yarn you are working with – will determine the look of your finished project. In general, the thicker the yarn you use, the larger the crochet hook you will need, but using a large hook with a fine yarn can also produce an interesting, delicate fabric.

Crochet hooks are produced in different materials – mainly metal, wood and plastic – and some come with comfy-grip or

ergonomic handles. Finding the right hook for you will most likely be a matter of trial and error, but as a beginner we recommend you work with a hook that is 5mm or larger with aran weight yarn. This will produce defined, easy-to-see stitches that will be simple to identify and work with.

“FINDING THE RIGHT HOOK FOR YOU WILL MOST LIKELY BE A MATTER OF TRIAL AND ERROR”

ANATOMY OF A CROCHET HOOK

There are six basic parts to a crochet hook

TIP

This part can be pointy or rounded. A pointier tip will help you get into tight stitches more easily, while a rounded tip is less likely to split the yarn.

THROAT

The throat of the hook guides the yarn into the working area, and catches it as you pull it through a loop of a stitch.

GRIP

Sometimes also referred to as the thumb rest, this is where you grip the hook with your thumb and index or middle finger. It will often have the hook size printed on it.

HEAD

The head of the hook is the part that pokes into the stitch, and also comes in different styles. Inline heads are, as the name suggests, in line with the rest of the hook, whereas tapered heads have a more curved shape.

SHANK

Also known as the shaft, this part determines the size of the hook, and in turn the size of the stitches that will be made with that hook.

HANDLE

The rest of the hook is called the handle. There are many types of handle – some are the same size as the rest of the hook, and others are larger and can be made out of more comfortable-to-hold material.

HOOK SIZES

Hook sizes are measured in millimetres, measured by the width across the shank. They are available from as small as 2mm to as large as 20mm or bigger. The size of hook you will need is related to the thickness of yarn that you use – thicker yarns need larger hooks – and will almost always be specified in a pattern.

Hooks can also be labelled in US sizes instead of in metric, with letters or numbers given to identify the size of the hook, as shown in the table below. If in doubt about the size of a particular hook, check the metric measurement, as this is less ambiguous.

HOOK SIZE TABLE:

UK size	US size
2mm, 2.25mm	B/1
2.5mm, 2.75mm	C/2
3mm, 3.25mm	D/3
3.5mm	E/4
3.75mm, 4mm	F/5
4mm, 4.25mm	G/6
4.5mm	G/7
5mm	H/8
5.5mm	I/9
6mm	J-10
6.5mm, 7mm	K/10.5
8mm	L/11
9mm	M/13
10mm	N/P/15

HOOK MATERIALS

As well as varying in size and style, crochet hooks also come in a variety of materials, most commonly metal, plastic and wood – each with their own set of pros and cons. Aluminium hooks are smooth, strong and long lasting, but may feel uncomfortable in your hand after long periods of working. If you find you like the way a metal hook works with yarn but not the way it feels in your hand, you could try a metal hook with a rubber grip. Plastic hooks are also smooth and easy to work with, but will bend more easily and could even snap. They can also make a squeaky noise when working the yarn, which could be off-putting to some. Most larger hooks are made of plastic so as to not be too heavy.

While wooden hooks feel warm to the touch, unlike cold aluminium hooks, and are flexible; they need to be well finished to ensure there are no rough spots that could snag yarn. They also need to be conditioned over time so they don't dry out. An alternative to wood is a hook made out of bamboo, which is lightweight, smooth and flexible, but prone to splintering.

To determine which type of hook is best for you, give each a try to see which feels best in your hand before you invest in multiple sizes.

DID YOU KNOW?

The world's largest crochet hook was created by Jim Bolin in 2013, and is six foot 1.5 inches tall and three inches in diameter. Bolin also holds the record for the world's largest knitting needles and the world's largest golf tee.

CROCHET KIT BAG

Although just a hook and a ball of yarn will get you pretty far in crochet, many other helpful tools are available

CASE

You will only need a small case to keep all your crochet tools together, and ones designed with crochet tools in mind can be found at most craft stores. These will most likely be fitted with multiple elastic straps to keep your hooks and tools in place. However, as crochet hooks are only small, you can use a pencil case (as pictured) to keep everything in one place.

SCISSORS

A sharp pair of scissors is one of the most important tools that a crocheter can keep to hand, as you will use them frequently for cutting yarn. Try to avoid using a blunt pair as this can cause yarn to fray, making it difficult to work with.

ROW COUNTER

Row counters are used for marking off how many rows you've worked. Just turn it once when you finish a row and it will keep track for you.

TOP TIP

If you need to use a stitch marker but don't have one to hand, a leftover scrap of yarn tied in a loop around the stitch or even a bobby pin can also make pretty good substitutes.

YARN NEEDLES

Also called a tapestry needle or a darning needle, this handy tool will be useful for finishing off your projects neatly. As these needles are thick, blunt-tipped and have a large eye to fit the yarn into, they are the perfect tool for weaving in ends and stitching pieces together, giving a professional finish to your crochet.

STITCH MARKERS

With multiple uses, stitch markers are some of the handiest tools a crocheter can keep in their kit bag. Their main purpose is to mark stitches. Place one in the first stitch of a round so you don't lose your place in a pattern.

SAFETY EYES

To make sure that the toys you make are suitable for children, use safety eyes as they won't come out, even when tugged on!

T-PINS

These are essential if you are going to block your finished pieces. While any kind of sharp pin will work for blocking, T-pins are some of the easiest to work with as they are sturdy and long. It's important to check that you're buying rust-proof pins, or else your work could be quickly ruined by rust stains.

TAPE MEASURE

A measuring device is essential for checking your gauge (tension) when crocheting. A ruler will often do, but the flexibility of a tape measure makes it easier to use. A tape measure will also come in handy if you are crocheting something to exact measurements, like items of clothing.

FIBREFILL

For stuffing your amigurumi projects you will need 'toy stuffing', also known as fibrefill. You can buy it in good craft stores, or simply use the innards of a pillow!

HOOK SIZES

Hook sizes are measured in millimetres, measured by the width across the shank. They are available from as small as 2mm to as large as 20mm or bigger. The size of hook you will need is related to the thickness of yarn that you use – thicker yarns need larger hooks. It is suggested that you use a smaller hook than recommended for amigurumi projects; the patterns will tell you.

HOOK HANDLES

Some people find that crochet hooks are hard on their hands, but there are some solutions to this. One is to buy hooks that have ergonomic handles from brands like Amour and Susan Bates. Another option is to purchase custom hooks from sellers on places like Etsy, who can create customised handles to suit your hands in a variety of colours and patterns.

ABBREVIATIONS

work crossed st thus: miss next st,

work a long tr into missed st by
inserting hook through missed st

it across 3 tr, yrh and complete tr;
cross3, work as cross4 over 3 sts
(miss next st, 1tr in each of next 2
sts, work long tr in missed st).

NOTE

Starting chain is worked with
a 5mm hook to prevent the
1st row from being too tight. If you
prefer, place a removable stitch
marker in every 20th ch on your
foundation chain, to help keep
track of counting.

On some rows, the last stitch of
the row is the beginning 3ch from
the previous row, which is always
counted as a stitch. It is important
to finish with a tr in the top of this
3ch as this will keep your edges
straight and stitch count correct.

You may want to tick each
numbered row off as you go along.

Unless stated otherwise, when
changing colours, break off the
current yarn. Weave in yarn tails
as you go along. Yarn amounts are
based on average requirements
and are therefore approximate.
Instructions in square brackets are
worked as stated after 2nd bracket.

FEEL-GOOD THROW

Crochet a cluster of colourful puffs for a luxurious, textured blanket from Anita Mundt

- ☐ EASY PEASY
- ☐ A BIT MORE TRICKY
- ☒ HARD-ISH
- ☐ QUITE A CHALLENGE

TO MAKE

You can't beat a tactile blanket for snuggling up in, and this throw is no exception. Each flower is worked with two strands so you can easily swap the colour of one strand at a time – a canny way to create a subtle ombre effect.

As you use two strands of yarn throughout, you may need to split some of your balls of yarn before you start. Alternatively, work one strand from the middle of the ball, and the other from the outside.

Start each flower by choosing the colours. You need between four and six colours for each flower. Call the darkest one yarn A, and use this to start. From round 2 onwards, change one strand each round to create a graduating effect, going from darker shades to lighter. Have fun and play with the colour changes as you work to create your own unique throw.

HOW MANY HEXAGONS?

Make 39 hexagons and 6 half hexagons in total.

Make 26 hexagons using 2 strands of Aconite yarn for the last 2 rounds, creating the light mustard surround. Make 10 hexagons using 1 strand of Aconite and 1 strand of Nutmeg yarn, creating the medium mustard surround. Make 3 hexagons using 2 strands of Nutmeg yarn, creating the dark mustard surround.

Make 6 half hexagons using 2 strands of Aconite throughout.

HEXAGON

Using 2 strands of yarn A.

Foundation: Ch4, join to 1st ch with a ss to make a ring.

Round 1: 6dc in the ring, join to top of 1st dc with a ss.

Round 2: Break off 1 strand of yarn A and replace with a lighter yarn. Ch3

(counts as 1st tr), make one 5tr petal popcorn in each stitch with ch3 between each. Join to the top of the 1st petal popcorn with a ss.

Round 3: Break off 1 strand of dark yarn and replace with 1 strand of lighter yarn. Ss into 1st 3ch-sp, ch3 (counts as 1st tr), make two 5tr petal popcorns in each 3ch-sp with a ch3 between each petal popcorn. Join to the top of the 1st petal popcorn with a ss. (12 3ch-sps)

Round 4: Break off 1 strand of dark yarn and replace with 1 strand of lighter yarn. Ss into 1st 3ch-sp, ch3 (counts as 1st tr), *make 1 x 6tr petal popcorn in the 1st 3ch-sp, ch3, (1 x 6tr petal popcorn, ch3, 1 x 6tr petal popcorn) all in next 3ch-sp, ch3; repeat from * 5 times (6 times in total). Join to the top of the 1st petal popcorn with a ss. (18 3ch-sps)

SPECIAL STITCHES

Petal popcorn

HOW TO STITCH A PETAL POPCORN

The centre flowers are made up of petals of different sizes. The petal is a popcorn st. Some are made with 5 treble sts, some with 6 and some with 8. All the petals, whatever size, are made in the following way: 5 (6 or 8) tr into the same st, take hook out of the loop left on your hook, place it back into the top of the 1st treble loop and then back into the dropped loop. With 2 loops on your hook, yarn over hook and pull the yarn through both the loops. Pull tightly to curl your trebles into a petal. For the first petal of each row substitute the 1st tr with ch3.

*make 1 x 6tr petal popcorn in the 3ch-sp, ch3, (1 x 6tr petal popcorn, ch3, 1 x 6tr petal popcorn) all in next 3ch-sp, ch3; repeat from * 8 times (9 times in total). Join to the top of the 1st petal popcorn with a ss. (27 3ch-sps).

Round 6: Break off 1 strand of dark yarn and replace with 1 strand of lighter yarn. Ss into 1st 3ch-sp, ch3 (counts as 1st tr), *(make 1 x 8tr petal popcorn, ch3, 1 x 8tr petal popcorn) all in the next 3ch-sp, ch3, (make 1 x 8tr petal popcorn, ch3) in each of the next 8 3ch-sps; repeat from * 2 times (3 times in total). Join to the top of the 1st petal popcorn with a ss. (30 3ch-sps)

Break off both strands of yarn and pull to the back of the work.

Round 7: Join 2 strands of your mustard coloured yarn in any 3ch-sp. In this round we will always work in the 3ch-sps. *[Ch3 (counts as 1st tr) 2tr, ch2, 3tr] in the same 3ch-sp.

3htr in next 3ch-sp.

3dc in next 3ch-sp.

3dc in next 3ch-sp.

3htr in next 3ch-sp; repeat from * 5 times (6 times in total).

Join in the top of the 1st tr with a ss.

Round 8: Ch3 (counts as 1st tr), 1tr into each st around, and (1tr, ch1, 1tr) in each 2ch-sp. Join in the top of the 1st tr with a ss.

HALF HEXAGON

This motif is made in rows, so turn your work at the end of each row.

Using two strands of Aconite:

Foundation: Ch20.

Row 1: Ch3 (counts as 1st tr), 1tr into st at base of ch3, work 1tr into each st along but 2tr in the last st.

Row 2: Ch3 (counts as 1st tr), 1tr into st at base of ch3, 2tr in next st, work 1tr into each st until the last 2 sts, work 2tr in each of the last 2 sts.

Row 3: As row 1.

Row 4: As row 2.

Row 5: As row 1.

Row 6: As row 2.

Rows 7, 8 and 9: As row 1.

Break off yarn and pull to back of work.

TO MAKE UP

Wet block all pieces and leave to air dry. Join the hexagons by holding the right

sides together and dc along the edge (this gives a dc seam on the wrong side), use 2 strands of mustard yarn to do this.

The throw has 7 rows. Start with the centre row: Join the 3 hexagons with the dark mustard surrounds together in a row, then join one hexagon with a medium mustard surround on each end. The row on each side of the centre row consists of 4 medium mustard hexagons in the centre with a light mustard hexagon on each side. The final 2 rows on each side are made up of all light mustard-coloured hexagons.

Fill the spaces along the edges with the half hexagons leaving a zigzag edge at

the top and bottom.

Finally, do a row of htr down the straight sides to neaten the edge.

Sew in all loose ends with a tapestry needle.

BLANKET

For the blanket, 48 square motifs are joined 6 wide x 8 deep, using join-as-you-go method: after completing first square, 7th round is used to join all subsequent squares. First, create a long strip of 8 squares where each square is joined along one side only, then begin to add the next strip, where first square is joined along one side, then all subsequent squares are joined along two sides (see 7th round). Once this strip is complete, add remaining strips in the same way.

SQUARE MOTIF

1st round (right side): With 4mm hook and Walnut, make a slip ring as follows; wind yarn round index finger of left hand to form a ring, insert hook into ring, yrh and pull through, 3ch (counts as 1tr here and throughout), 11tr into ring, ss in top of beginning 3ch to join – 12 tr.

2nd round: 3ch, 1tr in same st at base of beginning 3ch, 2tr in each st around, ss in top of beginning 3ch – 24 tr.

Fasten off. Turn to wrong side to work next 3 rounds.

3rd round: Join Gold with ss in any st, 1ch (does not count as a st here and throughout), starting in same st at base of beginning 1ch, [5tr-cl in next st, 2dc in next st] 12 times, ss in top of first 5tr-cl – 36 sts (made up of 12 5tr-cl and 24 dc). Fasten off and keep wrong side facing.

4th round: Join Dandelion with ss in first st, 1ch, starting in same st at base of beginning 1ch, *5tr-cl in next st, 1dc in next st, [1dc, 5tr-cl] in next st, 1dc in each of next 2 sts, [5tr-cl, 1dc] in next st, 1dc in next st, 5tr-cl in next st, 2dc in next st; repeat from * a further 3 times, ss in top of first 5tr-cl – 48 sts (made up of 16 5tr-cl and 32 dc). Fasten off and keep wrong side facing.

5th round: Join Citron with ss in first st, 1ch, starting in same st at base of beginning 1ch, *5tr-cl in next st, 1dc in each of next 2 sts, [5tr-cl, 1dc] in next st, 1dc in next st, 5tr-cl in next st, 1dc in next st, [1dc, 5tr-cl] in next st, 1dc in each

of next 2 sts, 5tr-cl in next st, 2dc in next st; repeat from * a further 3 times, ss in top of first 5tr-cl – 60 sts (made up of 20 5tr-cl and 40 dc). Fasten off and turn work to right side to complete the square.

6th round (right side): Join Greengage with ss in any dc after a 5tr-cl, 3ch (counts as 1tr), 2tr in same st, [1ch, miss 2 sts, 3tr in next st] 3 times, miss 2 sts, [1ch, 3dtr, 2ch, 3dtr] in next st (for corner), *[miss 2 sts, 1ch, 3tr in next st] 4 times, miss 2 sts, [1ch, 3dtr, 2ch, 3dtr] in next st (for next corner); repeat from * twice more, 1ch, miss last 2 sts, ss in top of beginning 3ch – 4 3tr groups and 5 1ch-sps along each side and 4 corners of (3dtr, 2ch, 3dtr). Fasten off.

7th round (FOR FIRST SQUARE ONLY): Join White with ss in any ch-sp before a corner ch-sp, 3ch (counts as 1tr), 2tr in same ch-sp, *[1ch, 3tr, 2ch, 3tr] in corner ch-sp, [1ch, 3tr] in each ch-sp along side to next corner ch-sp; repeat from * to end of round, 1ch, ss in top of beginning 3ch and fasten off – 5 3tr groups and 6 1ch-sps along each side and 4 corners of (3tr, 2ch, 3tr).

7th round (FOR ALL SUBSEQUENT SQUARES):

As before, but when joining corners and side or sides as required, replace corner 2ch with '1ch, ss into corner of adjacent square' and replace 1ch along joining edge(s) with 'ss into the corresponding ch-sp of adjacent square where they meet'.

After working last square of blanket, continue with border.

BORDER

Stitch counts are not given as, depending on your tension, you may need to adjust your stitches to avoid your border being too loose or wavy. To adjust stitches, work less stitches in the corners if needed, for example [1dc, 1ch, 1dc] in corner ch-sp.

1st round (right side): Join White with a ss in any corner ch-sp, 1ch (does not count as a st), *[1dc, 1ch, 1dc, 1ch, 1dc] in corner ch-sp, [1ch, skip 1 st, 1dc in next st or sp] to st before next corner of full blanket (and counting the joining sts of 7th round as 1 st), 1ch, skip 1 st; repeat from * around, ss in first dc, fasten off.

2nd round: Join Dandelion

in any 1ch-sp along side of blanket, 1ch (does not count as a st), 1dc in same ch-sp, [1ch, skip 1 st, 1dc in next ch-sp] all around blanket, working [1dc, 1ch, 1dc, 1ch, 1dc] in each corner ch-sp, ss in first dc, fasten off.

3rd round: Join Walnut with a ss in any ch-sp, 1ch (does not count as a st), 2htr in each ch-sp around, working [2htr, 1ch, 2htr] in each corner ch-sp, ss in first htr, fasten off.

Weave in all ends and spray with cold water until damp, pin flat and leave to dry.

CUSHION

Make 4 square motifs using same join-as-you-go method as for blanket, laid out 2 wide and 2 deep. With White, work 1st border round as for blanket, to neaten edges.

Take piece of fabric, fold each edge 1cm (approx ½in) to wrong side and iron flat to create a neat edge (and sew if preferred). Place fabric and cushion front with right sides together and sew around three edges using sewing needle and thread, then turn right side out. Insert cushion pad and sew final edge closed.

SOUTH OF THE BORDER BLANKET

Curl up under this beautiful blanket or use it as a decorative throw for your home!

MEASUREMENTS

90 x 100cm (35½ x 39¼in).

MATERIALS

You will need to use aran weight yarn in your chosen colour. Here we have used 14 x 50g (75m) balls of Drops Paris in Mustard (41).
4.5mm hook.
Yarn needle.

TENSION

12 sts and 7 rows measure
9 x 9cm (3½ x 3½in) over treble
crochet with a 4.5mm hook.

NOTES

At the beginning of a row, the ch 2 counts as first treble crochet. You will always work the last stitch of the following row into the top of this ch-2.

At the beginning of a row, the ch 3 counts as 1 tr and 1 ch. At the end of the following row, you will skip 1 st (this is the 1 ch) and work the last stitch into the top of the ch-2.

TO MAKE

Foundation row: Ch125, 1 tr in 4th ch from hook, 1 tr in each st to end, turn. (123 sts)

Row 1: Ch 3, (counts as 1 tr and 1 ch), skip 1 st, *1 tr in next 19 sts, ch 1, skip 1 st**; rep from * to ** 5 times more, 1 tr in last st (in top of turning ch), turn.

Note: Each ch-sp also counts as 1 st, so when you reach a ch-sp you will work 1 tr into this, just as you would if it were a stitch (insert your hook into the space when you are working the stitch and not into the chain itself).

Row 2: Ch 2 (counts as 1 tr), 1 tr in next 18 sts (working 1st tr into ch-sp from previous row), *ch 1, skip 1 st, 1 tr in next 3 sts, ch 1, skip 1 st, 1 tr in next 35 sts; rep from * once more, ch 1, skip 1 st, 1 tr in next 3 sts, ch 1, skip 1 st, 1 tr in next 19 sts, turn.

ROWS 1-29 FORM THE PATTERN.

The pattern now repeats itself from row 1 to 29 and then from row 1 to 15. You should now have 74 rows (including the foundation row).

Row 75: Ch 2, 1 tr in each st and sp to the end, fasten off and weave in ends.

To give the blanket a neat finish you are now going to work a row of htrs along both sides of the blanket.

Start by joining the yarn in the bottom-right corner (around the post of the tr), ch 2 (counts as 1st htr), 1 htr in same space. Now work htrs all the way up the long side of the blanket by working 1 htr in solid row ends and 2 htr in rows where there is a space and finishing with 2 htr. Fasten off and weave in ends.

Repeat this process on the other side of the blanket by joining the yarn in the top-left corner and working down the second long side of blanket.

VINTAGE STYLE

This colourful project is perfect as a picnic blanket but
equally lovely to snuggle up to indoors

TO MAKE

With 4mm hook and Fondant, make 4ch and ss in fourth ch from hook to form a ring. The blanket is worked in rounds, so for the first round you will be working your stitches into the ring; subsequent rounds will be worked into ch-sps and between the groups of 3tr.

1st round (right side): 3ch (counts as 1tr here and throughout), 2tr into the ring (this forms your first group of 3tr), [1ch, 3tr into the ring] 3 times, 1ch, ss in top of beginning 3ch – 4 groups of 3tr, 4 1ch-sps. Fasten off and turn work.

2nd round (wrong side): Join Lemon in any 1ch-sp, [3ch, 2tr, 1ch, 3tr] all into same 1ch-sp (to make first corner), [3tr, 1ch, 3tr] in each of next three 1ch-sps, ss

in top of beginning 3ch – 24 tr and 4 1ch-sps. Fasten off and turn work.

3rd round: Join Pomegranate in any 1ch-sp, [3ch, 2tr, 1ch, 3tr] in same 1ch-sp, 3tr in each sp between the groups of 3tr along the side of your square to next corner 1ch-sp, *[3tr, 1ch, 3tr] in corner 1ch-sp, 3tr in each sp between the groups of 3tr along the side of your square to next corner; repeat from * twice more, ss in top of beginning 3ch – 9 tr and a 1ch-sp along each side. Fasten off and turn work.

3rd round sets the pattern. Continue in pattern using the following colour sequence, changing colour after each round and turning your work.

4th round: Join Meadow and work as 3rd round – 12 tr and a 1ch-sp along each side.

5th round: Join White and work as 3rd round – 15 tr and a 1ch-sp along each side.

6th round: Join Cloud Blue and work as 3rd round – 18 tr and a 1ch-sp along each side.

7th round: Join Parchment and work as 3rd round – 21 tr and a 1ch-sp along each side.

8th round: Join Shrimp and work as 3rd round – 24 tr and a 1ch-sp along each side.

9th round: Join Denim and work as 3rd round – 27 tr and a 1ch-sp along each side.

NOTES

The designer, Sue Rawlinson of Sweetpea Family Crochet, shares her handy tips for

this design of blanket: “Crab stitch is the same as a regular dc, but the difference is that you are working in the opposite direction than you would usually work a dc. It can feel a little clumsy and awkward to start with but I’m sure it’s worth it for the lovely twisted edging it gives you. To help your granny blanket remain flat and square, turn your work over after every round, you will start on a different side with each new colour. For this design, I stopped turning my work after 40th round, although it is important when working bobbles that you work on the wrong side of your blanket (this will be clearly noted in the pattern).”

Yarn amounts are based on average requirements and are therefore approximate. Instructions in square brackets are worked as stated after the 2nd bracket.

10th round: Join Cypress and work as 3rd round – 30 tr and a 1ch-sp along each side.

1st to 10th rounds form colour repeat pattern. Work another 3 full colour repeats, up to and including 40th round – 120 tr and a 1ch-sp along each side. When working the following rounds, only turn work over when instructed.

68th round: Join Lemon into the first st after a corner. You will now work a crab stitch edging (see Abbreviations). To start the round, make 1ch and insert your hook into the next stitch to the right, from the front to the back, pull up a loop, yrh and pull through both loops on your hook. Continue all around your blanket remembering to work [2 crab sts, 1ch, 2 crab sts] in each of the corner 1ch-sp, and when you reach the end of the round, ss in beginning 1ch and fasten off. Weave in your tail ends and you have finished your blanket. Note that if you have difficulties with the crab stitch it's well worth having a quick look on YouTube, you will find lots of easy to follow videos, but remember that this pattern uses UK terms.

BLANKET BAND

With 4mm hook and any choice of colour, make 11ch.

1st row: 1dc in second ch from hook, 1dc in each ch to end, turn – 10 sts.

2nd to 9th rows: 1ch (does not count as a st), 1dc in each st to end, turn.

10th row: 1ch (does not count as a st), 1dc in each st to end, changing to new colour of your choice on the last yrh of the last dc, turn.

Repeat 1st to 10th rows, 8 times more to work 90 rows in 9 different coloured stripes.

Do not change colour on last row.

91st row: Using the same colour yarn as 90th row, 1ch, work a ss into the first st of this row and also through the row-end st of the first row (you are joining the two ends of the strip together to form a circular band); continue to ss through both sets of sts to end. Fasten off and weave in tail ends.

SMALL STRAP

With 4mm hook and any choice of colour, make 6ch.

1st row: 1dc in second ch from hook, 1dc in each ch to end, turn – 5 sts.

2nd to 35th rows: 1ch (does not count as a st), 1dc in each st to end, turn. Fasten off.

Fold the small strap in half and sew onto your blanket band to form a decorative tab. For this blanket, it was attached onto the stripe crocheted in the same coloured yarn.

FLOWER

1st round: Using 4mm hook and Lemon, make a slip ring as follows: wind yarn round index finger of left hand to form a ring, insert hook into ring, yrh and pull through, 1ch, (does not count as a st) work 10dc in ring, ss in beginning 1ch, pull end of yarn tightly to close ring – 10 sts. Fasten off.

2nd round: Join White into any st, starting in same st, work [3ch, 3tr, 3ch, ss] all in same st, *in next st work [3ch, 3tr, 3ch, ss]; repeat from * until you have 5 petals, ss in top of beginning 3ch. Fasten off and weave in tail ends. Finally, attach your flower onto the front of the band, just below the tab. Fold and roll up your blanket and slip it through the band, which will keep it perfectly in place.

SWEETPEA BLANKET

In a beautiful spring palette, this blanket is worked in rows and is the perfect project for beginners

- ☒ EASY PEASY
- ☐ A BIT MORE TRICKY
- ☐ HARD-ISH
- ☐ QUITE A CHALLENGE

MEASUREMENTS

Complete blanket measures approximately 89 x 132cm (35 x 52in), including border.

MATERIALS

For complete blanket: 2 x 100g (295m) balls of Stylecraft Special DK (100% acrylic) in Cream (1005) and 1 ball in each of Cloud Blue (1019), Fondant (1241), Lincoln (1834), Lemon (1020), Sherbert (1034), Candyfloss (1130) and Spring Green (1316). Size 5mm and 4mm crochet hooks; removable stitch markers (optional).

TENSION

17 stitches and 10 rows, to 10 x 10cm (4 x 4in), over pattern, using 4mm hook.

ABBREVIATIONS

Ch, chain; **st(s)**, stitch(es); **dc**, double crochet; **tr**, treble crochet; **sp**, space; **yrh**, yarn round hook; **ss**, slip stitch.

NOTE

The starting chain is worked with a 5mm hook to prevent the first row from being too tight and to make the chains easier to work into. If you prefer, place a removable stitch marker in every 20th ch on your foundation chain, to help keep track of counting. On some rows, the last stitch of the row is the beginning 3ch from the previous row, which is always counted as a stitch. It is really important to finish with a tr in the top of this 3ch as this will keep your edges nice and straight and it will keep your stitch count correct. You may find it helpful to tick each numbered row off as you go along, especially if this is your first big project. Unless stated otherwise, when changing colours, break off the current yarn. To avoid a daunting task, weave in yarn tails as you go along or at the end of each section. Yarn amounts are based on average requirements and are therefore approximate. Instructions in square brackets are worked as stated after 2nd bracket.

When working the border, especially along the row-ends, work a section at a time and check your tension. If your work is pulling, add a few more trebles evenly spaced; if the work is wavy and loose, decrease the number of trebles along the sides evenly spaced.

Unless stated otherwise, when changing colours, break off the current yarn. To avoid a daunting task, weave in yarn tails as you go along.

With 4mm hook and Cream, hold blanket with Cloud Blue foundation ch uppermost and join yarn with ss to right-hand corner. Work along opposite loops of foundation chain and work in rounds that are joined.

SQUARE FIVE

MAKE 8

With 4mm hook and Cloud Blue, make 4ch and join to first ch with a ss to make a ring. Do not start 1st round with 3ch, as it makes a too obvious difference to your circle.

1st round: 8tr into ring, ss in first tr to join – 8 sts.

Fasten off Cloud Blue.

2nd round: Join Aster with a ss to any tr, [4ch, miss 1 st, 1dc in next st] to end, working the last dc in the same st as the ss join, ss in first of beginning 4ch – 4 dc and 4 4-ch-sps.

PUT IT TOGETHER

Join the remaining squares to the large square with the inner edging, using the chart below as a guide. Join by holding the squares with the right sides together and ss through back loops of each square to form a neat join. When joining the squares to the inner edging, use the same joining method and, where the squares join, ease the stitches so the squares are evenly spaced.

FINAL BORDER

This consists of 4 rounds of border.

The colours of your border can be any selection that you like. Each round of the border requires approximately 12g of yarn, so weigh your yarn before you start to ensure you have sufficient.

1st round: With 4mm hook, join Aster to any corner 3-ch-sp of the large square, *[2dc, 2ch, 2dc] in 3-ch-sp, [1ch, miss 1 st, 1dc in next st] until you reach the join of 2 squares, 1ch, 1dc in 1-ch-sp on first side of join, 1ch, 1dc in 1-ch-sp at next side of join; repeat from * 5 times more, [1ch, miss 1 st, 1dc in next st] to the last st before corner 3-ch-sp, 1ch**, repeat from * to ** until the end, ss in first dc.

Fasten off Aster.

2nd round: Join Royal to any 2-ch-sp in corner, *[2dc, 2ch, 2dc] in 2-ch-sp, 1ch, [1dc in next 1-ch-sp, 1ch] to next corner; repeat from * to end, ss to first dc.

Fasten off Royal.

Round 2 forms the pattern. Repeat once with Duck Egg and once with Mustard.

Fasten off and weave in ends.

MAKE FOR ANYONE BLANKET

This variegated yarn project creates a beautiful blanket that is perfect for everybody

- ☒ EASY PEASY
- ☐ A BIT MORE TRICKY
- ☐ HARD-ISH
- ☐ QUITE A CHALLENGE

MEASUREMENTS

Complete blanket measures approximately 120 x 160cm (47 x 63in) when blocked. Each block measures approx 14cm (5½in) square when blocked.

MATERIALS

For complete blanket: Variegated yarn in seven complementary colours (1 x 50g ball each). We used Sirdar Crofter DK (60% acrylic/25% cotton/15% wool, 50g/165m per ball) in: Magilly (0039), Iona (0043), Seagrass (0045), Crosbie (0041), Glendale (0038), Hepburn (0033), Hound Dog (0053.) You also need 6 x 50g cream/muslin coloured yarn. We used Sirdar Calico DK (60% cotton/40% acrylic, 50g/158m per ball) in Muslin (724). 3.5mm crochet hook and tapestry needle

GAUGE

Each block measures approx 5½in square when blocked.

ABBREVIATIONS

Ch, chain; **st(s)**, stitch(es); **dc**, double crochet; **tr**, treble crochet; **ss**, slip stitch.

TO MAKE

Variegated yarn gives a distressed look, and the bonus is that you don't need to keep changing colours (not until the very end anyway).

Everything about this pattern has been kept simple in order to show off the cool yarn effect. Because of this, the blanket hooks together very quickly. Perfect for a night in front of the tube!

GRANNY SQUARES (MAKE 80)

The first four rounds of the granny square are crocheted in one of the coloured, variegated yarns. The final (fifth) round of every square is crocheted in cream/muslin (Calico). The colour layout is totally random.

Foundation: Using any of your coloured yarns, make a 4 ch foundation ch. Join into a ring with a ss.

Round 1: Ch3 (acts as first tr), 2tr, (ch2, 3tr) 3 times, ch2, join with a ss to 3rd st of

the starting ch-3.

Round 2: Ch3 (acts as first tr), 2tr, *(2tr, ch2, 2tr) in ch-2 space from previous round, 3tr, repeat from * 2 times (ie, 3 times in total), (2tr, ch2, 2tr) in ch-2 space, join with a ss to 3rd st of the starting ch-3.

Round 3: Ch3 (acts as first tr), 4tr, *(2tr, ch2, 2tr) in ch-2 space from previous round, 7tr, repeat from * 2 times (so 3 times in total), (2tr, ch2, 2tr) in ch-2 space, 2tr, join with a ss to 3rd st of the starting ch-3.

Round 4: Ch3 (acts as first tr), 6tr, *(2tr, ch2, 2tr) in ch-2 space from previous round, 11tr, repeat from * 2 times (ie, 3 times in total), (2tr, ch2, 2tr) in ch-2 space, 4tr, join with a ss to 3rd st of the starting ch-3. Break yarn.

Round 5: Join cream/muslin yarn into a corner ch-2 space.

[Ch3 (acts as first tr), 1tr, ch2, 2tr] in ch-2 space, 15tr, *(2tr, ch2, 2tr) in ch-2 space from previous round, 15tr, repeat from * 2 times (3 times in total). Join with a ss to 3rd st of the starting ch-3. Break yarn.

JOINING AND FINISHING

When all 80 squares are complete, block each square. Using cream/muslin yarn, join the squares together in eight rows of

10 squares in a random order – or whichever design you like. Join them by placing the right sides of two squares together, and dc into the top of each tr of the final round. Join the eight strips together in the same way by placing the right sides of each strip together as you did the squares.

BORDER

Using the cream/muslin yarn, crochet a border of two rows of dc stitches around the entire blanket, working around the corners by placing 2 ch stitches at each corner. Break off. Sew in all loose ends to finish.

Now give yourself a good pat on the back.

SHERBET STRIPES

Our candy-coloured blanket is finished with tassels

BLANKET STRIPE SEQUENCE

Stripes are worked in the following colour sequence throughout.

1 row each of:

- Magenta
- Pomegranate
- Apricot
- Citron
- Pistachio
- Grass Green
- Duck Egg
- Sage

MAIN BLANKET

With Magenta, ch152.

1st row (right side): 1dc in 2nd ch from hook, [3ch, 4trcl over next 4 ch, 1ch, 1dc in next ch] to end, changing to Pomegranate on last yrh of last dc, turn – 30 pattern repeats and 1dc.

2nd row: 3ch, [1dc in top of next 4trcl, 3ch, 4trcl in 3ch-sp, 1ch] to last st, 1dc in last st, changing to Apricot on last yrh of last dc, turn.

3rd row: 3ch, [1dc in top of next 4trcl, 3ch, 4trcl in 3ch-sp, 1ch] to last dc, skip last dc, 1dc in top of beginning 3ch from beginning of previous row changing to next colour on last yrh of last dc, turn. 3rd row forms pattern.

Repeat 3rd row, changing colour as before on last yrh of last dc of each row, following the colour sequence given, until you have finished 11 colour repeats in total. Blanket should measure approximately 75 x 79cm (29 x 31in). Fasten off on last row and weave in all ends before beginning the border.

BORDER

Take care to evenly space your htr sts in 1st round, to prevent blanket from warping. As a guide, this is approximately 4 htr for each pattern repeat across top and bottom, and approximately 3 htr for every 2 rows along sides. Note that specific stitch counts are not given, as your stitch count may vary depending on your tension.

1st round (right side): With Denim, and with right side facing, join yarn in top-right corner space, 2ch (counts as a 1htr), work (1htr, 2ch, 1htr) in same space, work htr evenly around the blanket edge, working (2htr, 2ch, 2htr) in each corner, ss in top of beginning 2ch, ss in next htr, ss into corner 2ch-sp.

2nd round: 1ch (this does not count as a st), work (1dc, 2ch, 1dc) in each corner and then 1dcblo in each st around the blanket edge, ss in first dc and fasten off – 8 sts increased.

When working 3rd to 7th rounds, fasten off at end of each round then start the next colour in a different corner. This gives a neater finish. If at any point your blanket edge is pulling in, work (2dc, 2ch, 2dc) in

each corner on next round.

3rd to 7th rounds: Use colours in the following order: Pistachio, Citron, Apricot, Pomegranate, Magenta. Join yarn to any corner 2ch-sp with a ss, 1ch (does not count as a st), (1dc, 2ch, 1dc) in corner space, continue working 1dc in each st all around blanket edge and (1dc, 2ch, 1dc) in corner spaces, ss in first dc, fasten off – 8 sts increased.

8th round: Join Denim in any corner 2ch-sp with a ss, 2ch (counts as first htr), work (1htr, 2ch, 2htr) in corner space, continue working 1htr in each st around blanket edge and (2htr, 2ch, 2htr) in corner spaces, ss in top of beginning 2ch – 16 sts increased.

Fasten off and weave in ends.

TO FINISH

Because you have worked several rounds of double crochet stitches, the blanket may not sit completely flat. This can be rectified by gently pulling it flat and then blocking with water.

Using all colours held together and a piece of thick card, make 4 tassels and attach one to each corner.

MEASUREMENTS

Complete blanket measures approximately 55cm (21¾in) diameter.

MATERIALS

DK yarn in your chosen colour. We used 100g (250m) balls of acrylic yarn in: colour 1: white (3 balls) colour 2: grey (1 ball).

4.5mm hook, yarn needle, toy stuffing, pair of 10mm black safety eyes.

TENSION

16 sts x 16 rows to measure 10 x 10cm (4 x 4in), using 4.5mm hook.

ABBREVIATIONS

Ch, chain; **dc**, double crochet; **st(s)**, stitch(es); **tr**, treble crochet; **yrh**, yarn round hook; **sk**, skip; **ss**, slip stitch; **sp**, space; **RS**, right side

bo, Bobble Stitch: *Yrh, insert hook into stitch or space indicated, yrh and pull a loop through so you have 3 loops on your hook. Yrh and pull through 2 loops. Repeat from * 4 more

times in the same st or sp, until you have 6 loops on your hook. Yrh and pull through all 6 loops.

mbo, Modified Bobble Stitch: Similar to bo but uses 4 unfinished tr sts in the same st (so there are 5 loops on your hook before the final yrh).

tr3cl, Three Treble Crochet Cluster: 3 tr sts in the same st/sp.

Dec, decrease. Work a dc2tog as follows: insert hook in first st, yrh and pull a loop through, insert hook in next st, yrh and pull a loop through, yrh and pull through all 3 loops.

Corner 1: (**1 tr, ch 2, 1 tr**) in the same stitch (for round 3) or chain space (for rest of rounds).

Corner 2: (**2 dc, ch 2, 2 dc**) in the same chain space.

NOTE

In each round, the corner chains are included in the stitch count. You only join the round on rnd 2 and following alternate rounds.

MEASUREMENTS

Complete blanket measures approx 80cm x 80cm (31½in x 31½in).

MATERIALS

You will need to use DK weight yarn, in your chosen colours. Here we have used Sublime Baby Cashmere Merino Silk DK in: MC (main colour): Pebble, 006 (400g). CC (contrast colours): Colour 1: Vanilla 003 (100g), Colour 2: Bounty Blue 493 (100g), Colour 3: Little Lobby 494 (100g), Colour 4: Pip 381 (100g). 4mm hook. Yarn needle.

TENSION

One square to measure 12 x 12cm (4¾ x 4¾in) using 4mm crochet hook, or size required to obtain correct tension.

ABBREVIATIONS

Ch, chain; **st(s)**, stitch(es); **dc**, double crochet; **tr**, treble crochet; **ch-sp**, chain space; **sp**, space; **yrh**, yarn round hook; **ss**, slip stitch; **rev dc**, reverse double crochet; **dtr**, double treble crochet.

SPECIAL STITCHES

Crab stitch/reverse dc: Yrh and draw up a loop, making sure your hook faces left as it would usually. Complete the stitch as normal and then continue to work backwards along your edge. Make sure not to twist your hook!

NOTES

Weaving in the ends as you complete each square will make piecing your blanket together much quicker. Blocking makes a huge difference to the finish and handle of the blanket.

There are 12 colour combinations for each square: Rounds 1, 5, 6 and 7 are always worked with MC. For the feature rounds use the following combinations:

CC1	CC2
1: Colour 1	Colour 2
2: Colour 1	Colour 3

Rnd 6 (MC): Ch 1 (does not count as st), 1 dc into each tr of prev round, working 5 dc into each corner ch 2 sp, join with ss into first dc.

Rnd 7 (MC): Ch 1 (does not count as st), 1 dc into each dc of prev round, working 3 dc into centre of 5 dc corner group, join with ss into first dc. Fasten off.

MAKING UP

Weave in all loose ends. Place the squares in 6 rows of 6 squares each, moving the order about until you are pleased with the layout. Make a note of this layout so that you can refer to this as you assemble the blanket. Using MC and the flat slip-stitched seam technique, join the squares into strips of 6, then join these 6 strips together to form the blanket.

BORDER

With RS facing, join MC in any edge dc.

Rnd 1: Ch 1 (does not count as st), 1 dc into each dc around edge, working 3 dc into centre st of 3 dc at each corner, join with ss into first dc.

Rnds 2-3: Rep Round 1.

Rnd 4: Crab stitch edging – ch 1 (does not count as st), 1 rev dc into each dc around edge, working 3 rev dc into each corner, join with ss into first rev dc. Fasten off.

FINISHING

Weave in all ends and block.

HUSHABYE SLEEPING BAG

Reminiscent of homely ‘granny’ squares, this simple sleeping bag is perfect for newborn babies to snuggle up in

TO MAKE

Front

Using 4mm hook and col 1, ch 55.

Row 1 (RS): 3 tr in 7th ch from hook, *miss 2 ch, 3 tr in next ch; rep from * to last 3 ch, miss 2 ch, tr in last st, turn. Place a marker at the end of this row to mark fold line. (16 treble clusters and 2 edge sts).

Row 2: Ch 3 (counts as 1st tr), 1 tr in ch-sp before next treble cluster, *3 tr in each space between treble clusters

along the row to last ch-sp, 2 tr in last ch-sp, turn. (15 treble clusters with 2 half clusters).

Row 3: Ch 3 (counts as 1st tr), 3 tr in each space between treble clusters along the row to last 2 tr, skip next tr, 1 tr in top of beginning ch 3 of previous row. (16 treble clusters and 2 edge sts).

Rows 2 and 3 form pattern. Continue working in pattern for remainder of

piece, working in stripes as follows:

Rows 4-5: 2 rows with col 1.

Row 6: 1 row with col 2.

Rows 7-8: 2 rows with col 1.

Rows 9-11: 3 rows with col 3.

Rows 12-13: 2 rows with col 1.

Row 14: 1 row with col 2.

Rows 15-19: 5 rows with col 1.

Row 20: 1 row with col 3.

Rows 21-22: 2 rows with col 1.

Rows 23-25: 3 rows with col 2.

Rows 26-27: 2 rows with col 1.

Row 28: 1 row with col 3.

Rows 29-33: 5 rows with col 1.

Row 34: 1 row with col 2.

Rows 35-36: 2 rows with col 1.

Rows 37-39: 3 rows with col 3.

Rows 40-41: 2 rows with col 1.

Row 42: 1 row with col 2.

Rows 43-44: 2 rows with col 1.

Fasten off.

MEASUREMENTS

Sleeping bag measures 37 x 44cm (14.5 x 17in) excluding hood. Hood measures approx 23cm (9in) from top of bag to point.

MATERIALS

You will need DK weight yarn in your chosen colours. We have used, Sublime Baby Cashmere Merino Silk DK in: Colour 1: Pebble 006 (250g) Colour 2: Vanilla 003 (100g) Colour 3: Splash 124 (50g). 4mm hook, 10 x 2.5cm (1in) buttons.

TENSION

Tension is not critical for this project, but if you do not match it, your sleeping bag will vary in size to that stated and you may need more yarn. 5 pattern repeats and 11 rows measure 10cm (4in) square, using 4mm hook.

ABBREVIATIONS

Ch, chain; **st(s)**, stitch(es); **dc**, double crochet; **tr**, treble crochet; **ch-sp**, chain space; **sp**, space; **yrh**, yarn round hook; **ss**, slip stitch; **RS**, right side;

WS, wrong side; **rdc**, reverse double crochet.

SPECIAL STITCHES

Crab stitch/reverse dc: Yrh and draw up a loop, making sure your hook faces left as it would usually. Complete the stitch as normal and then continue to work backwards along your edge. Make sure not to twist your hook!

NOTES

This project is sized for a newborn baby. It is simple to adjust the size, though. To adjust the width, add sts to the foundation chain in multiples of 3; to adjust length add rows. You'll need more yarn to make a bigger bag.

For baby's safety it is important to ensure the bag is not so large that they slip down too far as this can cause them to get overheated. As with any bedding, their face should remain above the cover, which should tuck under their arms, and make sure they are placed with their feet at the end of their crib, Moses basket, pram etc.

BACK AND HOOD

Using col 1 and with RS facing, rotate work and fasten on at the marker to begin working along bottom of piece (this will be the fold line along the bottom of the bag). Continue working in pattern throughout in stripes as follows:

Rows 1-5: 5 rows with col 1.

Row 6: 1 row with col 2.

Rows 7-8: 2 rows with col 1.

Rows 9-11: 3 rows with col 3.

Rows 12-13: 2 rows with col 1.

Row 14: 1 row with col 2.

Rows 15-19: 5 rows with col 1.

Row 20: 1 row with col 3.
